

Meet B

A liberating way to manage your money.

B is a clever, intuitive banking service that includes a B Current account and B Instant Savings account wrapped up in a super smart app.

B gives you the tools to make managing everyday money simple and rewarding. What's more, you get all this with no monthly account fee.

The B app works on most smartphones and tablets. You can find a list of devices and operating systems that B is definitely compatible with at youandb.co.uk/devices. To find out more or watch a demo for B, please visit youandb.co.uk.

B Current account, Instant Savings account and app are provided by Clydesdale Bank and Yorkshire Bank. Device requirements apply, subject to status and eligibility. See website for full T&Cs.

Manage your money when and where it suits you

Some things in life are out of your hands. Your bank account isn't one of them. Whether you want to check your balance, make a transfer, set up a payment, even top up your mobile at the ATM, we can help you.

Get online

Fast, easy and flexible, online banking is available 24/7*.

- Check your balance and transactions
- Make transfers
- Pay bills – Transaction and Daily limit applies
- Set up or change standing orders
- View and/or cancel Direct Debits
- Order statements, cheque books or paying in books.

Transaction and Daily limits

Security token holders: Transaction limit £25,000, Daily limit £25,000
Non security token holders: Transaction limit £500, Daily limit £1,000

Security Token

A security token is a small, battery-powered device about the same size as your debit card. It gives you a unique code when you're making a payment, transaction or transfer online. It helps protect you against fraud when you're banking online. If you make payments over £500 on Internet Banking you'll need a security token.

Register today

To register or to find out more about Internet Banking, visit cbonline.co.uk/register. Once you're set up you can access your account as late, early or often as you like.

Get on the phone

Call us any time* to:

- Check your balance and transactions
- Pay bills
- Set up regular payments
- Make transfers
- See if cheques have cleared.

Because we like to keep things simple, you just need to register by answering a few questions to make accessing your account perfectly safe.

*Telephone and Internet Banking services may be temporarily unavailable during periods of routine maintenance.

Get mobile

Customers asked for more control of their money while out and about. Now you can have it – with our easy to use mobile app and text message alerts that are available on Apple or Android.

- Check account balances, available funds and recent transactions
- Move money between your Clydesdale Bank accounts
- Find your nearest branch or cash machine
- Set up text message alerts that let you know how your account is doing.^
- Use Paym to send and receive money using just a mobile number (Transaction limit £500, Daily limit £1,000**)
- Pay an account using only a sort code and account number (Transaction limit £500, Daily limit £1,000**)
- Make payments to your Internet Banking payees.

**Please note that these limits may be increased if you have a security token.
^Scheduled text message alerts are available Monday to Saturday.

To download our app, just search 'Clydesdale Bank' on the **App Store or Google Play™**, or visit cbonline.co.uk/mobile

The services available may vary depending on the type of account you hold. For the mobile app, you can only view your credit card balance if it is linked to your account through our Telephone Banking service. For your security, your calls may be monitored or recorded.

Easy peasy payments

The days of always relying on your wallet are now over thanks to a payment method that's both handy, and safe. Apple Pay allows you to make transactions with just one touch and is now available for all Clydesdale Bank customers.
